SUBJECT: Daily Progress Report for Thursday, 25 Sept. 1952

1. BGFIEND - A letter has been received by the NCFA from an individual claiming to have defected from the League of Albanian Refugees in Yugoslavia and to have been the right-hand man of one of the leaders of the League. This person is in the American Zone of Austria and, since it is possible he may have highly important information concerning Yugoslav plans with regard to Albania, it is planned to approach him and interrogate him without the knowledge of either the NCFA or the British.
